

Conquer Nepal – An NGO for Rural Development

Program: देशको ध्यान बाल्यकालमै प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date: 2070.6.4

Name of School: आदर्श आजाद उच्च मा. वि.

Location: भ.नं. पा. १९. नं. ११. भो.सु.वे.ल

Advantages of the program:

यस program ले भविष्यमा प्राविधिक क्षेत्रमा अध्ययन गर्न चाहने विद्यार्थीहरूलाई मार्ग निर्देशन गर्न मद्दत गरेको छ। प्राविधिक क्षेत्रमा जान पूर्वाधारको ज्ञान प्राप्त भएको छ।

Controlling mechanism:

प्राविधिक ज्ञान सम्बन्धि कक्षा लिई सहयोग गर्न प्रस्तुत कताले विद्यार्थीहरूको मनोभावना उनी अध्ययन गरेको देखियो। कक्षामा विद्यार्थीहरू अनुसन्धान गरेपछि मार्ग कक्षा विभाग गरेको पछि।

Overall Evaluation of the Program:

समग्रमा यस program लाई नियामक गर्दै कति उपयोगी र विद्यार्थीहरूलाई पूर्व जानकारी दिई गराउनु पर्ने नै देखिन्छ। यस program ले विद्यार्थीहरूमा यस सम्बन्धीको अज्ञानताको बादल हटाएको पछि।

Comments & Suggestion:

यस्ता program हरूकै बालेकै सजिलै दिन पाएर विद्यार्थीहरूलाई जाडदा छुट्टा। यस क्षेत्र तिर अध्ययन गर्न चाहने मार्ग निर्देशन हुनु। यस्ता कार्यक्रम गरी यस विद्यालयलाई सहयोग गर्न भन्नेमा निश्चलप परोषाह तर्फबाट धन्यवाद।

Conquer Nepal – An NGO for Rural Development

Program: देशको ध्यान बाल्यकालमै प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date: 2070/7/

Name of School: Adarsha Higher Secondary School, Layaku, Thimi,

Location: Bhaktapur

Advantages of the program:

- creates curiosity to the students about the use of computer
- ~~get~~ provides the basic knowledge about the computer especially information technology.

Controlling mechanism:

- students are motivated

Overall Evaluation of the Program:

- helpful to the students

Comments & Suggestion:

- It would be better if you have displayed the program using laptop computer as a teaching material
- It would be better if you provide one week classes

Program: देशको छान बाल्यकालमै प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date: 2070/03/17

Name of School: Arundeep Academy
Location: New Baneshwor, Kathmandu

Advantages of the program:

We truly believe that the programme
has been fruitful a lot as it let our students
be aware about the technological aspects. Students
have been much more benefitted from it.

Controlling mechanism:

Class was under total control. Instructor made
the students to pay their total attention on the
subject matter.

Overall Evaluation of the Program:

We happened to collect valuable feedback
from the students. Such a selfless & informative
programmes are always admirable.

Comments & Suggestion:

We believe it was a kind of good
endeavour to drive the techno-skeptical
forces of student minds towards techno-awareness.
We look forward to get such packages
again.

Feedback Form (to be filled by school)

Date: 2070/03/07

Name of School: Ashward Boarding School

Location: Baluwatar, Kathmandu

Advantages of the program:

Students got updated information regarding information & technology. They had interaction for the application of Computer technology for rural development.

Controlling mechanism:

Students found the training very useful and the trainers were excellent.

Overall Evaluation of the Program:

Helpful, informative.

Comments & Suggestion:

Organisers must conduct such programmes less every now and then of cities and towns to make students aware of ongoing technology and Computer application.

Feedback Form (to be filled by school)

Date: 2070-06-16

Name of School: Balpremi Secondary School

Location: Thimi (Near Korean Hospital)

Advantages of the program:

- i. about IT
- ii. scope of IT
- iii. importance of computer knowledge
- iv. 'ASK Theory'
- v. about leadership and personality development
- vi. It helps the students to be self-dependent.

Controlling mechanism:

The head teacher and other teachers have observed the classes.

Overall Evaluation of the Program:

It was very good.

Comments & Suggestion:

Students got the theory knowledge of IT but it is better to give the practical knowledge to the students.

Conquer Nepal – An NGO for Rural Development

Program: देशको ध्यान बाल्यकालमै प्राथमिकज्ञान

Feedback Form (to be filled by school)

Date: 07-03-03

Name of School: Bansbari H.S.D.

Location: Bansbari, Kathmandu

Advantages of the program:

The students from class 8 total with estimated 180 students are immensely benefited from 3 days class provided by Conquer Nepal related to fundamental knowledge about IT dated from 2070/02/ to 2070/02/ . Students enjoyed the class with hardware & software knowledge of computer.

Controlling mechanism:

The class run through teacher centered method.

Overall Evaluation of the Program:

From the school's point of view, the program conducted by conquer Nepal is useful for the students. They actively participated and are seen interested for it.

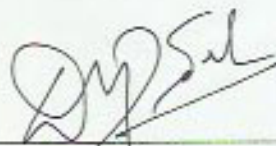

Comments & Suggestion:

- IT class run for 3 days by Conquer Nepal was useful for the students.
- It would be better to run hardware class practically.
- It would be more beneficial if such classes run periodically such as in every quarter of year or half yearly.

Conquer Nepal – An NGO for Rural Development

Program: देशको ध्यान बाल्यकालमै प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date: २०७०/३/१२

Name of School: Basundhara National Academy

Location: Dhapasi-9, Kathmandu

Advantages of the program:

- At the end of IT Boot Camp, students are able to
- know about the scope of IT.
 - get tips to build up their career in IT.
 - enhance leadership quality.

Controlling mechanism:

Presentation of the program was overall good. The class was effective & conducted in a disciplined environment. Ample of relevant examples were given which turn made class more interesting.

Overall Evaluation of the Program:

The four days IT Camp was effectively conducted in our academy. We prefer like this professional training in the upcoming days too.

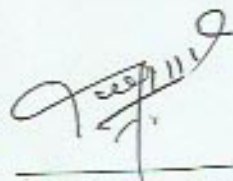

Comments & Suggestion:

After attending the class, I would like to suggest few things. The presentation should be done by using slides through projector since you are providing training of IT professionals. The biography of some successful IT professionals like Bill Gates should be shown through projector. Some written text related IT Camp should be distributed to students.

Date: 25th to 28th Aug. '15

Name of School: Bright Star English School

Location: Barahisathan-14, Bhaktapur.

Advantages of the program:

- Students are benefited with the knowledge of IT as well as moral behaviours.

Controlling mechanism:

- Motivational speech from trained personnels.
- Use of charts.
- Supervision and overall control over students.

Overall Evaluation of the Program:

- Effective
- Inspiring
- Fruitful

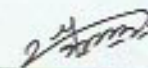

Comments & Suggestion:

- Good and a decent step towards career development of students.
- Would be more better if audio-visual aids are used.

Program: देशको ध्यान बाल्यकालमै प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date:

Name of School: Shree Budhanilkantha H.S. 5.

Location: Vishnu Budhanilkantha-2 KTM

Advantages of the program:

- ① Students are able to understand about computer and I.T. education.

Controlling mechanism:

- Students are very interested in IT education. So classes are itself controlled. Subsequent maker and personality of the resource persons are also helpful to control the class room.

Overall Evaluation of the Program:

- Program is not only better. It is the best among the program which are funded in school by outdoor resource.

Comments & Suggestion:

- Time should manage before starting the program.
- Syllabus should provide to school Administration before starting the program.
- If possible, it may better to use multimedia in class room.

Conquer Nepal – An NGO for Rural Development

Program: देशको ध्यान बाल्यकालमै प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date: 2nd June 2013

Name of School: Cosmopolitan Secondary Boarding School

Location: Tundal devi, Chandal, Kathmandu-4

Advantages of the program:

General Information on IT
stand as a pathway for the development of career
to produce skillful manpower

Controlling mechanism:

The context were presented in a very enjoyable manner which maintain the appropriate environment in the class room.

Overall Evaluation of the Program:

The program related to the IT was effective and beneficial as technical knowledge is essence of the students of today's generation.

Comments & Suggestion:

Hoping for your next program which is advantageous for our students.

It would had been more effective if the program was conducted practically rather than theoretically.

काठमाडौं
Feedback Form (to be filled by school)

Date: 2070-03-05

Name of School: Shree Dhumrabarah Sec. School

Location: Dhumbarahi, Ktm.

Advantages of the program:

- The students get the knowledge about parts of computer.
- " " get chance to observe the parts.
- They learnt how to lock the computer with password.
- They knew they shouldn't misuse IT knowledge.

Controlling mechanism:

Overall Evaluation of the Program:

After all, the program, the institution managed was good but it should be for a long time so that the students can get the practical knowledge. It would be more effective.

Comments & Suggestion:

- They wished that the classes would continue for a long time. So that they could do the things practically.
- They got little knowledge about computer but it wasn't enough.
- They wished, the institution could manage such classes at least once a month.

Name of School:

Sulga Bhawani Academy

Location:

Shumbasahi-4; Kathmandu; Nepal

Advantages of the program: The four days program training provided by "Conquer Nepal" proved to be highly inspiring and knowledgeable to the students. Chances for scholarship, free classes etc has encouraged them in their studies. It has increased knowledge regarding computer, IT field and other vocational fields for their carrier development.

Controlling Mechanism:

The training has helped to build up confidence in students. They can now decide themselves the field in which they can do their best in future.

Overall Evaluation of the Program:

Apart from academic knowledge, it has increased knowledge regarding different fields which is very helpful in the carrier selection.

Comments & Suggestions:

The training would be more effective if it was given at the last of the session.

Conquer Nepal – An NGO for Rural Development

Program: देशको ध्यान बाल्यकालमै, प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date: 07/04/21

Name of School: Ekita International School

Location: Baluwatar, Kathmandu

Advantages of the program:

- Very basic concept about importance of technology was provided.
- Children became clear about the obstacles in technological world, its use and misuse etc.
- Students became satisfied about the elementary knowledge that is required for being a successful ~~man~~ citizen in the future.

Controlling mechanism:

- The misuse of the technological advancement has affected the students a lot. So they should be given the alerting campaign frequently so they properly utilize the technological resources.

Overall Evaluation of the Program:

- As a whole, this program was evaluated as a fruitful one. Among many educational campaigns conducted in our school, this informative program also became a brick of the wall. So, we are very thankful.

Comments & Suggestion:

Thank you, Conquer Nepal for such a wonderful campaign and Best of Luck for the team. Wish you good luck that you would be able to enlighten the Nepali citizens with technological mind.

Hope this sort of program will be conducted in remote places as well.

Feedback Form (to be filled by school)

Date: 2070/7/12

Name of School: Ganesh Secondary School

Location: Madhyapur Thimi - 4, Nagadosh

Advantages of the program:

1. The students gain more information about IT programme and its importance.
2. They grabbed idea about how to make secure life in future.
3. They learned how to make pass words secured.

Controlling mechanism:

1. It was instructive and effective class giving many illustrations to the students.
2. The students paid much attention during the class because of a friendly lecture.

Overall Evaluation of the Program:

1. The programme was useful to the students who took interest in computer. The students were really inspired by the programme. They understood the importance of computer in life and outside the world.

Comments & Suggestion:

- The programme is to be designed according to the economic level of the students.
- The programme is to be launched frequently for the students rather than 2/3 days workshop.
- The good and mutual relationship between the school and Conquer Nepal for soaring the result of IT sector.

Feedback Form (to be filled by school)

Date: Sep 17, 2013

Name of School: Manakamana English Secondary School.

Location: Kamalvinayak - 4, Bhaktapur.

Advantages of the program:

This is an interesting program run by Conquer Nepal - An NGO for Rural Development. Really, our lovely students got a good opportunity to learn about the subject taught by Rubi Silwal. According to the students this program is good for (i) career building (ii) getting job (iii) arranging data and making plans of job related (iv) making mind busy.

Controlling mechanism:

Because of new topic with an interesting program, the classes (C grade VIII to grade X) were peaceful. Students were enchanted with different wonders of the subject matter taught by Rubi Silwal.

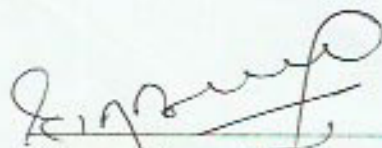

Overall Evaluation of the Program:

After listening to our students, the program is really effective and is an unalienable program to them. They are much interested and have learnt necessary mechanism relating with latest information and technology of advanced computer.

Comments & Suggestion:

The program is blissfully appreciated and praiseworthy though it disturbs the students in their textual study. We would like to have such programs on coming days in our school with same effective and interesting classes. And we would thank to Rubi Silwal and appreciate her best performance as well.

Program: देशको ध्यान बाल्यकालमै प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date: 2070/6/18

Name of School: Shree Padma H.S. School (Padma College)

Location: Durbar Square W.N.13 Bkt.

Advantages of the program:

Three days program conducted by Mrs Ruby Silwal in class VIII, IX & (Section AB) is six classes is very fruitful for the students without the knowledge of IT now-a-days, education is incomplete. IT knowledge is very compulsory for students.

Controlling mechanism:

Class presentation is very good. All the students gave more attention to gain the IT knowledge. Ms Silwal presentation is very commanding and attractive.

Overall Evaluation of the Program:

This program is very useful for the students. As a senior teacher, I also joined the class and gain so more knowledge about IT. I hope this program is very advantageous for both students & teachers. I hope, this program will continue later.

Comments & Suggestion:

From Conquer Nepal, In Bhaktapur city, the institute of IT program ^{should open} for the students after S.H.C. Other persons also gain knowledge from this institute. We hope, Institute will soon open in our Cultural city.

Feedback Form (to be filled by school)

Date: 2070-4-28

Name of School: Prolific H.S.S

Location: Dhumbaroli, Kathmandu

Advantages of the program:

- Increased knowledge about IT
- Increased knowledge about ASK theory & personality development.
- Got tips about Career development.

Controlling mechanism:

- well performance, good discipline, science

Overall Evaluation of the Program:

The programme was nice & informative, which gave knowledge about computer to the students. It also gave tips to be a leader & making one self competent.

Comments & Suggestion:

Such programme should be conducted time and again so that the students can develop their career in IT. And it would be better if the programmes are conducted with audio and visual facilities.

Program: देशको ध्यान बाल्यकालमै प्राविधिकज्ञान

Feedback Form (to be filled by school)

Date: 19th June 2013

Name of School: Shimopuri Higher S.S.
Location: Maharajgunj, Kathmandu

Advantages of the program:

Students acquired extra additional knowledge about IT and its importance in modern context. Moreover, they understood the real value of practical education too.

Controlling mechanism:

Friendly atmosphere was created. So students seemed to be quite enthusiastic and curious to know more about IT. The class was well-managed in order to capture students' attention.

Overall Evaluation of the Program:

The program was entirely fruitful and informative however it had been only the programme of 4 days.

Comments & Suggestion:

Its objective of making students skillful and efficient in IT could be totally gained if the classroom presentation remained much more effective.

Program: देशको ध्यान बाल्यकालमै प्राथमिकज्ञान

Feedback Form (to be filled by school)

Date: 2070/6/9

Name of School: Tara Secondary School

Location: Golochan-14, Bkt

Advantages of the program:

The program is advantageous as the program has launched for all the students from class 8 to 10. The students got chance to understand about the importance of IT.

Controlling mechanism:

The trainer had taken the classes very effectively. The classes were so impressive. The students enjoyed the class too much on third day and was so useful for the life and it was so practical.

Overall Evaluation of the Program:

The program was is so good. It should be continued. The opportunity of this type of training should be conducted in every part of the country.

Comments & Suggestion:

This program is very important and practicable for our life. This program's motto even makes clear about the program. People can make the career from in IT sector so from the childhood the students should be familiar about it. Wish for the success and continuity of the program.

Feedback Form (to be filled by school)

Date: 2070-4-31

Name of School: Yugutshu English Secondary School

Location: Akasedhara, Kapan, Kathmandu

Advantages of the program:

- 1) Basic knowledge
- 2) Career Counselling
- 3) Development of personality
- 4) How to get rid of hackers. These are some of the benefits we get from the class of IT.

Controlling mechanism:

- 1) Different tricks such as advice, jokes, ways to mend RAM/Rom are applied. Skills such as team-work, communication skill, behaviour skills are dealt with confidently.

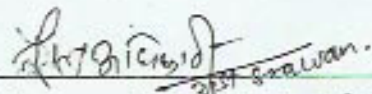

Overall Evaluation of the Program:

Program is effective, helpful and full of knowledge. Really benefitted from the course.

Comments & Suggestion:

It would be better if the organization has come up with the idea of starting this program from class 6 onwards. Sectors such as internet, yahoo, websites are not dealt thoroughly during the presentation. But as a whole, this program is effective. We really appreciate the method of teaching and class engagement.
